**Subject:** RE: Gold King Mine Outreach Coordination || Schedule for CIC support

Just to clarify, please do participate in the morning 9:15AM (PST) check-in call set up for Thursday and Friday of this week (and most likely to continue for the duration). This is a CI-specific call to help in coordination efforts. It's not necessary to participate in the other R9 coordination calls, such as those set up by the REOC.

Thanks!

Sarah

**Subject:** FW: Gold King Mine Outreach Coordination || Schedule for CIC support

Below is the draft schedule for CI response for the Gold King Mine. Kathy Moore from the OSC suggests that people wait on being briefed by David Yogi when they arrive on site. So, there is no need to participate in daily phone calls, etc. Sarah Caffaso will be the main POC at the office tomorrow for folks in SF. She will be able to coordinate with Rusty and David.

I scheduled a brief check-in tomorrow morning and Friday morning at 9:15 AM (PT).
